Pack: 25/BOX
Measurements: 4" x 4" with 2" x 2" Pad

Item No. WS7625-BGS
Item Name: BORDERED GAUZE DRESSING
Pack: 25/BOX
Measurements: 6" x 6" with 4" x 4" Pad

This bordered gauze is an absorbent island dressing constructed with a heavy-duty absorbent pad and conformable, non-woven fabric adhesive backing. The porous structure of the Sontara® nonwoven fabric ensures air and water vapor permeability. The fabric is stretchable, conforms well to body contours and allows body movements when in place. The adhesive has been designed to be gentle to the skin but at the same time provide secure fixation. The wound pad can absorb moderate amounts of wound fluids and the low-adherent surface reduces the risk of adherence to the wound.

Key Features and Benefits BORDERED GAUZE DRESSING

- Protects the wound surface
- Soft and flexible
- Gentle on the skin
- Non-adherent permeable contact layer
- Adhesive bordered non-woven cloth tape
- Facilitates wicking of fluid
- Comfortable rounded edges and stretchable fabric tape
