SHIELD•SECURE®

Features and Benefits

- Anti-fog coated shield to help maintain visibility
- Medical grade foam designed to conform comfortably to user's head
- Accommodates eye wear and goggles
- No-pressure elastic headband
- Made in America
- Not made with natural rubber latex

Description

The SHIELD•SECURE®, from the M.C. Johnson Company, offers excellent protection from the risk of exposure to splashing blood, body fluids, chemicals or other potentially infectious or harmful materials. With an elastic strap, foam head band, and anti-fog coated shield, the SHIELD•SECURE® is not only comfortable, but an affordable facial protection option.
